

UPSTAIRS/ 1000 TRADES

With the artwork of local artists showcased throughout the building, 1000 Trades has space available for community, private hire and pop-up events.

If you are planning a function, event or meeting, our upstairs space is available for hire at most times during the day or evening and can seat around 30 people cabaret-style, 50 people theatre-style or 70 standing. Main bar area downstairs also available by prior arrangement.

Large television screen and projector available for use free of charge.

We do not charge charities or community groups for use of the space. For other uses we usually apply a small fee or minimum spend during the day.
