

TUESDAY 2 AUGUST TO SATURDAY 1 OCTOBER

1000 Trades Presents: JI-MT // Korean Street Food

The minds behind 'Tiger Bites Pig,' 'Tierra Tacos,' and most recently, 'Trentina,' will be serving up some authentic Korean fayre from our small but perfectly formed kitchen. 'JI-MT' plays on the Korean slang JMT meaning, 'f**king delicious,' and this food certainly doesn't disappoint. Headed up by chef Hyeonu Ji, the menu builds on Tierras hugely successful Korean pop-up nights. Expect soft shell crab with Gochujang aioli, fresh homemade dumplings, traditional Bibimbap, chilli glazed chicken wings to name a few. Washed down with our huge selection of craft beers and natural wines, it's the perfect way to enjoy these long summer days. *Serving weekday evenings from 5pm and all day Saturdays.*
